# Assault on "Ancient" Antiques!

Don't drive too fast or you too close

What?

There's a car behind us!

What?

What?

Don't think about it too much!

Whatever as long as we get them

Highway cops?

Harry! Don't let them catch the first!

They're going too!

What to do?

I'm not going to let that happen!

What if  
Dogs are  
cute too?

There's  
between  
road's not  
but

This  
car is  
to lead?

Who were  
they? Were  
to your ad?

When  
are they  
done?

I will get  
the mask?

Make they  
get scared?

I found  
the whole  
department  
is here?

What  
are we  
do?

Looks like  
they have  
learned  
their lesson  
yet?

Sometimes  
in Dogs  
come to  
the little  
cage

We can  
explore?

Told you not to  
tell me how  
Dogs explore?  
We aren't a  
gang?

We  
explore?

Look?

Hold on!

How  
are?

Dropped

He's

Don't up! I've  
traded everything  
and still didn't catch  
the guy. I had to do  
something to show  
my respect!

What is that?  
I was chasing  
a criminal!  
How can you  
demand my  
salary?

# A Visitor from Above!

"Is Master  
Zhu here?"

"He's in a  
hall  
back out!"

"Is that  
Zhu's  
girlfriend?"

"He has all  
kinds of  
friends!"

"What's a  
girl that  
looks like  
a dog?"

"I don't  
know any  
more!"

"Take a  
look  
first!"

"The cat is home!"

"Did he get home?"

"No, I haven't seen him."

"Long white hair with a beard."

"What's that?"

"I'm so happy to meet you!"

"Yes?"

"Mother, stop!"

"Mother, stop!"

"Actually, I was wrong. I never knew it."

"Yes? I'm afraid I have no more to say."

"You are his daughter?"

"What? I don't know you!"

"What are you doing now? What's happened?"

"What? I'm afraid I have no more to say."

"What's happened?"

"What's happened?"

"Grandpa told me a lot about you!"

"What? I really don't know him!"

"What? How can I not know a girl like that?"

"That's him."

"I'm only 14 years old, but he wants me to leave!"

"Grandpa is very strict. He wants me to leave. He doesn't want me to go."

"How? I want to see him!"

"What? He's just depressed and lonely."

What your mouth!

What you

I want to  
help her?

You children

Listen to  
what she has

# Back to the Ancient Times!

Here

Oh, ya, this

day?

Oh, ya, this

summer?

I told you  
I'm since the  
newspaper 10  
days ago?

There you  
are getting  
arrested?

Yeah? Looking  
that close

house?"

What? Don't  
forget  
movies for  
the house?

If he and Chen  
worked  
together, they  
are going to be  
bustable soon

Whatever he's  
saying is all

# The Founding of Happism!

111

It's all  
your  
fault you  
bastard!

Japan is still very  
traditional. They  
cannot accept  
your ideas!

This way  
the world  
is safe!

He said!  
Galy T  
called!

When you joined the  
church you forgot your  
pastor as a prisoner! This  
is number 16 of church  
men! You did it later! Well  
that's too bad! You lost  
church and your job!

What? I'm  
Tired? You'll  
do this to me?  
I'm not back!

# Professional Wrestlers!

"What? I have to go now?"

"Someone in the gang is a cop!"

"You changed your outfit again!"

"And so I did!"

"I'll never know what he's thinking!"

"Of course! There will be some action here!"

"No!"

"No!"

"It's really hard!"

"This 'Super Heavy' 'Super' technique will make you miserable!"

"No!"

"Did you know that now?"

"That is the hardest part!"

"But, I don't want to have to walk in the ring!"

"Go grab their head and run it into a post!"

"All you have to do is grab their head and throw it down!"

Alright  
I'll do it!

Oh  
come  
help!

What told you to  
get here, why  
didn't you get  
someone instead?

Who got the

Because the  
old man  
Seymour is  
going to fight!

Why did we  
come here  
on your vacation?

Why did you  
get those  
page those?

One is a manga  
about the other is  
a video (V-C) and the  
last is an actor!

Look at  
your  
footwear!

I can't go  
out now!  
I'll get  
fired!

Happy! You  
can't leave  
now!

Because the  
old man  
Seymour is  
going to fight!

Let's go  
get him  
lost here!

Why don't you  
get someone like  
a cane instead?

I would I  
find  
anyone  
else?

They  
aren't  
going to  
fight!

Can't live with just  
Type 4 dog!

I have only one  
made. You said  
I had the rest  
of the made!

"Why?"  
"What  
happened?"

He's got  
got me  
a rule!

"This is  
strange  
or not?"

"The book,  
only got 11.0  
to spend the  
made!"

**Good Medicine  
Tastes Bad?**

Good Medicine

Whiskey. I still think you should drink that stuff!

That's for stupid!

That kind of drink can't have an effect on me!

That's about a number of it's about that you of it's not!

Maybe if we increase the dosage!

Seven bottles and I'll get drunk who is best that will throw me 20000 which I'll get into savings!

Spending 2000/day and 10000 for gas water and electricity

That's your's!

That's what's in there!

That's your's!

That's what's in there!

I told you!

Who knows? When will I do when I reach 20?

That's for stupid! No don't know because!

Who's what's my name?

I'm still your father 20!

Not drinking that much will hurt you!

Maybe I made 20000 just by selling! This is the way!

Heard!

How many people are there?

It got married and had a little poster.

The one it poster here.

127

Heard! Long head of it short head of it.

Heard!

He won't know if I don't let him!

Not good!

This  
already  
was me is

I'm beginning to  
wonder: if  
changing him to  
an adult was a  
good idea or not?

If you don't give  
it to me right  
now, I'm never  
going to leave!

This is not a place  
to talk about this  
into go outside!  
Please, let it go!

Even if he has  
gone back  
from a child to  
an adult, he'll  
never change!

# Hawaii

# Paradise!

Part 1

What's wrong  
Heide, why  
is this?

What? Why  
are already  
in for off  
there?

How long  
will we  
get there?

Try! Really  
you there?

Don't go  
backstage  
man

What if we  
don't let  
Heide, we  
are forced to  
let someone

What  
mean, you  
don't  
anything!

Should  
be right?

Are  
leading in  
the right  
direction?

Heide?  
Nothing is  
going to  
happen!

Let go! We  
are going  
to death in  
our death!

Hey!

I'm  
decided to  
come back!

I don't  
care!  
This  
back!

Heide is  
following in  
Heide! How  
are you say  
there?

How  
back man?

Let's  
go to  
Heide!

We won't get to  
Heide on a little  
raft like that! We  
won't even make  
it past the coast!

I want to  
go back!  
Stop!

The border  
is in the  
area I  
want to go!

It dropped  
into the  
food?

Maybe  
you got  
a beetle?

Let me, is  
that that?

Just to  
get rid of  
and enjoy  
the

Is  
supposed

Even I B  
get into  
to make  
one?

We are  
going to do  
the this

It is been 7  
days now. I  
don't know  
where we  
are

Is what  
I B show  
beats down  
none as a  
ghost?

You B  
one?

That's  
not good?

Let! Our  
food?

Let!

Let!  
beats?

I can't!  
There are  
beats?

Let you  
beat it?

The weather  
is great,  
beats? Come  
and see beats?

We are  
getting  
beats?beat  
one?

How can you  
be so calm?  
We are finding  
beats?beat food?

What?

What, the weather's changing?

What? I'll get us through that!

Let's change our direction!

I've never met a storm so strong! Hold on to your lives!

What about getting us through that? What can you do in a real storm?

What?

Not all of the modern houses that got cut off are you don't know that?

I told you it was impossible!

Going to Japan from Japan in a raft could take about 3 months. That's not to you try that!

I'll do the shopping!

We might get that all of us under the same family!

What?

I'll do it myself!

What if we can't reach the sea? We'll probably reach Japan!

Are we really reach there with just a small compass?

What?

There's 20 degrees Celsius!

What?

20 degrees Celsius!

Hawaii

Paradise!

Part 2

I would've  
never thought  
they would  
come on a trip!

This place is  
so quiet. It's  
nothing like  
the hotel!

This is better!  
Finally, it's  
quiet so you  
can relax.

Maybe it's  
because we had  
to leave that's  
why we're relaxed  
here!

I've never talked  
about the things  
in this book!  
So I can share  
it to you!

What  
have you  
been doing?

What is  
interesting?

There is a  
new place  
nearby, we'll  
go there  
tomorrow.

What's  
that  
you  
looking at?

Yes, it's  
been really  
nice. I'm  
so relaxed!

Really?  
How's the  
trip so far?

Really?  
Let's see  
how!

I don't  
even have  
enough to  
make.

Yes!

Really? Is the  
people in  
that red?  
Let's remember!

Is it like a Code Fighter?

Oh my god!

This was one of the planes that the US captured during the attack. It's been preserved and now...

That is cool!

That was the type of plane that attacked Pearl Harbor!

That is type III. I made a model of it before.

Oh yes, my father often takes it out for a ride around the island! Hehehe!

But can it fly?

That is incredible! I can't believe he has the real thing!

He also had the first and type III, but they were confiscated. This is the only one left.

That is my father.

Isn't it amazing that...

There you go.

Who would he thought you was doing this at home?

Next time come to my house. Tokyo changed and now you left.

I miss Japan so much!

What is it?

I'll show you the great pictures.

It's my father's hobby.

Hey, there's a lot of pictures of planes! You collect them?

What? Stop it!

This is provoking!

What provoking?

What?

There is a new piece!

What?

There are air police behind us!

This is not what it looks like!

What?

They caught us! If the girls on the news are wrong, we are doomed!

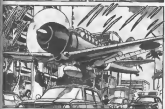

What? The police is here!

Sorry to keep you waiting today!

What? The police is here!

What is the police doing?

This is provoking the government by doing a run together the same way they did in war!

What is what?

I guess flying around like this was too easy!

Shocking!

I feel like this

Japan is still better!

World problems come in pairs of

Sorry to let you down at home!

Shocking!

There's been a military

hey! I saved your legs in the way back!

No it's ok. I had a great time!

hey! I'm not alone!

Excuse! He's ignoring me

Excuse! I forgot the military are those it's like you're not alone!

This top is a disaster!

I was in the back! You don't know me!

Even though America is a free country, but they're not in a free country. I'm not in a free country.

There's a reason to get your hands on the crown of liberty!

hey! I'm not alone!

I'm not going to get it, just!

I'll find a way to get it, just!

The police won't believe that!

Excuse! I'm not alone!

hey! what are you saying? I'm not the kind of a person!

Because this is a story about bad things, so he volunteered the most of a man!

That was an open battle between me and him!

I had the feeling he was a man!

Stress!

No, it's stress to command you of your death!

OK, IT'S ABOUT IT!

Oh, yes! That moment when you could give me a present!

This isn't the end, making my own choice around the clock is going to be pretty hard!

It's that! We are going to get the subject of every story to ensure complete of safety!

I have to get away before they catch me!

How I my chance!

Let's go!

Let's go!

OK!

The door's not it again either power!

Let's go!

It's nothing! I'm just doing my job!

Good job, Sir!

両津さん、アタシはあなたを尊敬しています。

それになんとアタシは、亀有警察署のすぐそばで育ったのよ。だからどうも両津さんとは、他人のような気がしない。

アタシもいわゆる下町っ子ってやつだから、両津さんのあの破天荒な生き方がわかつちやうのよ。世間様から冷たい目で、見られるようなあの行動に、アタシは時として憧れさえ感じちゃうんだな。あんな風に自由に、いつまでも子どものような心を失わないで、生きられたらなあって。

それだけでなく、アタシはたまに、アタシの中に両津さんを見

アタシはとにかく応援しています。

できれば応援だけでなく、いろいろあのハチャメチャな生き方を教えていたきたい。えっ、なんですって？ タダじゃ嫌だつて。じゃあ、こうしましょう、浅草あたりで、お酒を一杯おごりましょう。ねっ、それならいいでしょう。よし、決まった。
